

# W8 Magic™ Caps

*Thermogenetic Fat Burner*

WEIGHT MANAGEMENT FORMULA

## Boost Energy & Fat-Burning!

### BENEFITS MAY INCLUDE:

- Help Reduce Body Fat and Improve Body Composition
- Support Weight Management
- Promote Healthy Metabolism
- Increase Energy and Endurance
- Suppress Appetite and Cravings
- Improve Mood and Overall Health

### PRODUCT DETAILS:

- Powerful Thermogenetic Fat-Burning Weight Management Formula
- Research-Based Ingredients with Proven Fat-Fighting Properties
- Pair with Recommended Healthy Diet for Maximum Results

**For more information, contact a B-Epic Independent Brand Partner.**

Boost fat-burning and energy! W8 Magic™ Caps is a powerful thermogenic fat-burner ideal for individuals wanting to lose fat or excess weight without losing muscle. Promoting thermogenesis causes the body to burn more fat and more calories. It does this in part by converting white fat (which stores extra energy and can build up in obesity) into brown fat (which can be activated to generate energy in the body resulting in calorie- and fat-burning).

W8 Magic™ Caps also quickly boost metabolism, which improves how the body burns calories and fat. It is effective at breaking down the body's fat stores leading to rapid fat loss and improved body composition. Not only does it help mobilize fat for energy while exercising, it also enhances resting energy expenditure, so you will continue to burn calories even at rest. This boost in energy production also increases workout capacity and boosts performance. As an added benefit, W8 Magic™ Caps reduce feelings of hunger and the desire to snack.

Research-based science shows that the key ingredients in W8 Magic™ Caps are highly effective at powering workouts and promoting healthy weight. Grains of Paradise (a spice similar to ginger) effectiveness as a stimulant-free fat-burner is backed by research studies and use in traditional medicine. The ability of Capsimax® (a concentrated extract of a naturally occurring compound in red chili peppers) to boost thermogenesis is also well-supported by scientific research. GBB-EEC (Gamma-Butyrobetaine Ethyl Ester Chloride) is a breakthrough discovery made by scientists to enhance the body's natural ability to produce L-Carnitine, which helps it turn fat into energy. Lastly, the natural compound Berberine is well-known for being highly effective at affecting the body at the molecular level to help regulate metabolism.

# W8 Magic™ Caps

Thermogenetic Weight Management Formula

## PRODUCT DETAILS

**DIRECTIONS:** Take 1 capsule a day with 8 ounces of liquid. Can be taken with or without food. Recommend taking at least 6 hours before bedtime to not hinder sleep.

Recommend using with the W8 Magic™ Diet Guide protocol.

**WARNING:** Keep out of reach of children. Contains approximately 140 mg of caffeine per serving. Made with natural, plant-based caffeine.

**CAUTION:** Consult your physician before taking this or any health supplement, especially if you are pregnant or nursing, have a medical condition, take medication, or are under age 18.

**STORAGE:** Store in a cool, dry place to maintain freshness.

**MADE IN USA**
